New York Jan: 7<sup>th</sup> 1865.  
No. 2 43 St. Third Ave.

L. L. Doty Chief of the Bureau  
of Military Statistics

Sir

I am really sorry that I  
could not answer your letter ere  
this, as it has been addressed to  
Roughs Island N.C. during the time  
I remain in New York awaiting  
order from the War Department.

In the meantime I must thank  
you for the honor you bestowed  
upon me by asking a full account  
of the history of the regiments  
I have had the honor to command.  
But I shall do it with much  
pleasure of the 101<sup>st</sup> N.Y. Vol's

as I know all the particulars  
concerning that regiment, but  
I am sorry that it is not in my  
power to give the same account  
of the 45th N.Y.V., as it has not  
been organized by me. I took  
the command of that regiment  
after it had been two years on  
the field. However as you have  
asked me in your letter to suggest  
you some body who can assist you  
on the matter I think Lieut.  
Colonel W. Clark, who is at  
present stationed at Roanoke  
Island N.C. will help you very-  
well concerning the history  
of the 45th N.Y.V. as he has  
been in the Regt from the beginning  
of its organization.

L. L. Doty

Chief of Bureau

I remain

Very respectfully

Your Obedt Servant

C. Gardella

Col. 45th N.Y.V.
