PROVOST MARSHAL'S NOTICE.

PROVOST MARSHAL'S OFFICE, 16th Cong. Dist.,
PLATTSBURGH, July 9th, 1863.

NOTICE.—The Board of enrollment will, be-
tween the hours of 9 and 10 A. M., on every
day up to the time when drafted men are ordered
to report at this rendezvous, hear propositions for
substitutes and examine persons so offering. All
persons who may be drafted and who desire to pre-
sent substitutes shall give notice in writing to the
Board of Enrollment that on such a day they will
present a substitute giving his name and stating
whether he is an alien or a citizen.

The amount to be paid in accordance with sec-
tion 13 of the Enrollment act, by any person who
may be drafted in order to secure exemption from
service has been fixed by the Secretary of War at
three Hundred Dollars. The Commissioner of
Internal Revenue in each Congressional District
has been authorized by the Secretary of War and
directed by the Secretary of the Treasury to re-
ceive from drafted persons, who desire to pay it
for the purpose of exemption, the money above-
specified. On receipt of this sum the Collector of
Internal Revenue shall give the drafted person
a duplicate receipt. These receipts shall
be delivered to the Board of Enrollment on or be-
fore the day the drafted person is required to re-
port for duty, and when so delivered to the Board
the drafted person shall be furnished by the Board
with a certificate of exemption, stating that the
person is discharged from further liability under
that draft by reason of having paid the sum of
three hundred dollars. G. O. CLENDON, Jr.,
Provost Marshal, 16th Dist., N. Y.

**The Draft in the Northern part of the
State.**

The draft for the XVIIth Congressional Dis-
trict, including Clinton, Essex, and Warren
counties, was made at Plattsburgh, on the 7th
instant, by GEORGE CLENDON, Jr., Provost
Marshal. The conscripts were all served with
their "tickets of leave" on Saturday and Mon-
day, and, with hardly an exception, responded
cheerfully to the call thus made upon their
patriotism, being quite as good humored and
jocular about the prizes they had drawn as their
more fortunate neighbors, who indulged in gen-
eral witticisms at their expense.

In some towns the billets doux of the Provost
Marshal fell "as thick as leaves in Vallam
brose," but there was a general acquiescence
in the necessity for the draft, and no complain
was made that it had not been conducted fairly.
In the village of Schroon, Essex county, out o
93 names enrolled by the enrolling officer 3
were conscripted. In Minerva, Crown Point
Port Henry, and other large towns, the draf
fell with similar heaviness, taking, for example
23 men from one ore bed in the Adirondack.

In Glens Falls, 235 men were drafted, inclu-
ding the cashier of the Glens Falls Bank, and
the editor of the Copperhead seven-by-nine
journal of that place. In Chester, Warren coun-
ty, the draft happened to strike several leading
Copperheads. The conscripts were all furnis-
ed with transportation to Plattsburgh, the plac
of rendezvous, where they will all be assemble
before the 27th inst. Drafting also commence
on the 13th in Fort Edward and other towns i
the XVth Congressional District, of whic
Charles Hughes, ex-Member of Congress, is th
Provost Marshal. The citizens accepted th

draft quite as a matter of course, and made a complaint. The ticket-agent at Fort Edward has recently sold a large number of tickets to temporary residents, mostly laborers, whom he thinks are bound Canada-ward. Several of the conscripts, learning that they had been drafted immediately enlisted in order to secure the bounty.

THE DRAFT IN PROGRESS IN THIS STATE.—The Draft in the Sixteenth Congressional District of this State, consisting of Warren, Essex and Clinton counties,—took place at Plattsburg, on Tuesday of this week. It was conducted by the Provost Marshal of the District, under the direction of Col. V. W. Teall, of this city, Special Agent of the Government. The draft was for 1,593 men. 2,390 names were drawn, the instruction from the War Department being to draw fifty per cent in addition to the quota, to meet exemptions. This quota indicates that the call is for 400,000 troops; and in this State the draft reaches one in every three persons enrolled in the first class.

The draft at Plattsburg, Col. Teall informs us, was conducted with the greatest good order, and to the apparent satisfaction of the assemblage of citizens which crowded the Court-House. Every well-known name that was announced as having been drawn, was received with hearty cheers. Many of the best known citizens were drawn. Four of the clerks employed in recording the names were themselves drawn. The gentleman who drew the names—he being blindfolded—drew his own son.

The draft was ordered to take place in the Fifteenth Congressional District (Rensselaer and Washington counties) on Monday, but there being some mistake in the quota assigned the District, it was postponed till today. The draft will take place throughout the entire State, as fast as the preparations are completed in the respective Congressional Districts.—*Journal.*

THE DRAFT AT PLATTSBURGH.—The drafting at Plattsburg, for Clinton, Essex and Warren counties, has been completed in the most quiet and orderly manner. It is not true that Judge EVERETT, one of the Enrolling officers of Clinton county, had been injured by a molotov while in the performance of his duty. That was a bit of Copperhead fiction that went the rounds of the papers concerning that gentleman.

A Patriotic Woman.

At Plattsburgh, the other day, a man of no very great loyal pretensions called on a widow and informed her that her only son was drafted, and then hastened to tell her that he could secure his exemption if she would certify that she was a widow, and that he was her only son, and that she was dependent on him for support. The patriotic woman made the following reply: "I can certify to no such thing. I am not dependent on my son for support, and I never expect to be. Besides, I think he ought to go, if he is able to perform military duty, and every other able bodied man, till this wicked rebellion is put down. Nothing but the necessity of wearing these skirts has kept me from going."

The first instalment of drafted men for the army reached New York on Friday morning, from Plattsburg. They numbered fifty-three, of whom fourteen were of those originally drafted, and thirty-nine were substitutes.— They appeared to be in fine spirits.
