The Draft in Pouhkeepsie.

POUGHKEEPSIE, Monday, September 7. The draft in this city to-day passed off quietly. The best feeling prevailed in all parts of the city.-A large crowd gathered in front of the Provost-Marshal's office early in the morning, and as each name was announced it was received with applause. In the evening the conscripts paraded in the streets with a fine band of music. After the parade was over, the whole party adjourned to Smith's saloon, for supper, on invitation of the indefatigable Cormissioner of the Board of Enrollment, Mr. Joseph Wilds, of Stockport. Among the drafted were two telegraph operators, both clerks of the Provost-Marshal's office, one of the editors of the Poughkeepsian, and the Chief Engineer of the Fire Department.

The Draft in the Tweifth District. Protectspers, N. Y., Friday, Sepi. 4. The draft for the Twelfth Congressional Distriat, will commence in this city on Monday next, at 10 A. M. The quote for the sity is said, including the 50 per cort. accidenal.
