FROM THE CITY ATTORNEY.

Buffalo, August 17, 1863.

Gentlemen-I respectfully call your attention to sec. 30, of title 4, of the city charter, which provides that the salaries of officers to be elected at the next general election, shall be fixed on or before the 1st day of September in each year.

The salaries of the officers elected in 1859 were not fixed till the month of October of that year, and it is now claimed by one of these officers that by reason of his salary not having been fixed before September 1st, he is entitled to the increased compensation prescribed by the action of the Council in 1857, and a case is now pending to determine the validity of such claim. To avoid such controversies in future, I respectfully suggest that the salaries of officers to be elected at a general election shall in all cases be fixed on or before the 1st day of September, prior to such election, and that such action be taken by your honorable body as will secure that result for the present year. H. S. CUTTING, City Attorney.

Ald. FLACH moved that the same be received and filed, and that a committee of three members of the Council be appointed for the purpose of considering

and reporting on the subject matter thereof. Carried.

FROM THE SUPERINTENDENT OF SCHOOLS

Buffalo, August 17, 1863. Genteemen—In obedience to your instructions, I have purchased the property known as the Fillmore Church It is proposed to repair it and fit it up for the

use of School District No. 27. Before this can be done, it will be necessary to raise it and build a stone foundation underneath.

I am informed by Mr. Bartholomew that it will cost \$200 to raise and straighten it up, ready for the under pinning.

In my opinion it will be economy to take the building down and use the material in building a new house; yet many of the tax payers prefer the repairing of the present property.

I would suggest that the Committee on Schools examine this building, and report at the next meeting of this Council.

Respectfully submitted,

J. B. SACKETT, Sup't of Schools.
Received, and the subject matter thereof referred to the Committee on Schools

FROM THE RECEIVER OF TAXES.

Buffalo, Aug 17, 1863. Gentlemen—On Saturday last, the City Treasurer notified me that hereafter I must make my weekly deposites with him in currency. I have accordingly since then, refused checks in payment for taxes, but as this is not only inconvenient for myself in counting so much currency, but also a great bother and inconvenience to a large portion of our citizens who are accustomed to payin checks, and who (very justly too) feel vexed and offended in being refused their checks in payment for taxes; and as currency is plenty, and the Treasurer meets with no difficulty in obtaining the necessary currency for the transactions of the business of his office on his own checks, I would respectfully ask your honorable body to authorize me to receive checks in payment for taxes, provided they are certified to, and payable in currency: and to authorize and direct the Treasurer to receive these checks, or my own in making my weekly deposites with him.

Respectfully submitted,

J. DOMEDION, Receiver of Taxes.

Ald. HOPKINS moved that said communication be referred to the committee on finance.

Ald. HOYT moved as an amendment, that said com munication be received and filed, and that the request therein contained he eranted

The question was then taken on the motion of Ald-Hopkins, and the same was carried.—Ayes 13; noes 5. The City Clerk reported that at a meeting of the Board of Health, held Saturday, August 15th, 1863, the following resolution was adopted, and the Clerk directed to report the same to the Council, viz:—

That the Common Council be and they are hereby requested to amend Sections 3, 4 and 5, of Chapter 12, of the City Ordinances, by inserting the word "agent" in each of said Sections, immediately after the words "owner or occupant," now contained in said Sections.—Received and filed.

Whereupon Ald. DAYTON offered the following resolution:—

That the Common Council, of the city of Buffalo, do hereby ordain and enact, that Sections 3, 4 and 5, of Chapter 12, of the Ordinance of the city be amended so as to read as follows:—

\$ 3; No owner, occupant or agent of any tenement or lot in this city, shall permit any substance mentioned in the last two sections to be or remain in or upon said tenement or lot, or between the same and the centre of the street adjoining, under the penalty of two dollars for each and every twenty-four hours during which the same shall be or remain thereon.

§ 4. Any owner, occupant or agent, of any grocery, cellar or tallow chandler's shop, soap factory, tannery, stable, barn, privy, sewer, or other house or place, who shall suffer the same to become asseous, or injurious to the health of the inhabitants of the city, shall forfeit the penalty of ten dollars for each and every ollence.

§ 5. It shall be lawful for the mayor, any alderman, or commissioner of health, to order the owner, occupant or agent, of any vacant lot, grocery, cellar, tallow chandler's shop, soap factory, tannery, stable, barn, privy, sewer, or other unwholesome or naseous house or place, to cleanse, remove or abate the same as often as may be necessary for the health, comfort and convenience of the inhabitants of this city; and any person refusing or neglecting to obey such order, shall forfeit the penalty of twenty-five dollars for every twenty-four hours he shall so neglect or refuse.

-Adopted. Ayes 20; Nays 0.

The City Clerk also reported that-

-Filed and orders directed to be drawn. The City Clerk further reports that the Relief Committee have directed him to report the following, and ask that an order may be drawn for the same.

Samuel Fursman, for services from the 16th Filed and anorder directed to be drawn.

ARRIVAL OF THE 28TH CONNECTICUT.—This Regiment reached this city last evening at 10 o'clock, en route from Port Hudson to their native State. It numbered, when it went out, 539 officers and men, and 390 return-30 sick. They were first stationed at Pensacola, and from there moved with Gen. Banks through the Tesche country, and thence to Port Hudson, where it remained through the siege. It has suffered a great deal from sickness. Col. FERRIS went home, sick, in advance of the Regiment, and the Lieut. Colonel is on his way home by sea-being to ill to bear the fatigue of a land journey. Major WESCOMB is in com mand. After partaking of refreshments, the Regiment took the Boston cars, and expected to reach home at noon to-day.

ARRIVAL OF THREE REGIMENTS FROM THE Southwest.-The Fourth Massachusetts Regiment arrived here from Port Hudson yesterday morning, about half past three o'clock, over the Lake Shore Railroad, and were informally received by the citizen's reception committee, at the Central Depot. After the sick were well taken care of, the regiment departed for Rochester at which point, in accordance with arrangements made by Superintendent Chittenden, of the New York Central, a bountiful repast was prepared for them. The Regiment was officered as follows: Lieut. Col. Colby, Major Chas. Howard, Quartermaster Lathrop, Adjutant Crocker, Surgeon Waldock, Assistant Surgeon J. F. Gould. The Regiment when organized numbered 996 men. It left Port Hudson with 650 strong, and left some 60 sick at different points on the way. About the same number were sick at this point. The Fourth has evidently seen hard service.

The Twenty-eighth Maine Regiment arrived here about 5 o'clock on the same morning from Port Hudson, and were most bountifully enter- L:

cers are, Col. E. W. Woodman; Lieut.-Col. W. E. Hadlock; Major ---- ---, killed at Fort Donelson; Adjutant Cutter; Surgeon Lake; Quartermaster Merrill. The regiment left Maine in September, 1862, 950 strong, as nine months men, and now return 615 in number, including 64 sick left at different points on the way. There were about 60 on the sick list at this point, three of whom were sent to the General Hospital The men cheered lustily for the citizens of Buf falo as the train moved out of the Depot,

A little after 8 o'clock last evening the Forty.
