THIRTEENTH REGIMENT, HEAVY.
(Twelve Companies.)

(Attached to Headquarters National Guard.)

Armory, Corner Sumner and Jefferson Avenues, Brooklyn.

This regiment was organized July 5, 1847; there were changes in the organization a few years later, again in April, 1859, and in 1860. It was disbanded May 7, 1898, except one battalion of four companies, which had volunteered to enter the United States service; and authority was given to reorganize it May 15, 1898. November 28, 1898, such portion of the regiment as had been organized was disbanded, and authority was given to re-establish the regiment, the battalion which was in the United States service forming the nucleus of the new organization. Companies L and M were organized March 11, 1899; February 8, 1900, it was constituted a regiment of heavy artillery and designated 13th Regiment of Heavy Artillery of the National Guard, New York. The regiment was in the service of the United States for three months from April 23, 1861, and was mustered out August 6, 1861; again from May 28 to September 12, 1862, and for the third time from June 20 to July 20, 1863, for thirty days; it was in the State service during the Draft riots in July and August, 1863; the Orange riots, July 12, 1871; the Railroad riots, July, 1877; the Switchmen's strike at Buffalo, August, 1892; the Quarantine disturbances at Fire Island, September, 1892, and the Motormen's strike at Brooklyn, January, 1895. The battalion which volunteered to enter the United States service as part of the 22d Regiment, New York Volunteer Infantry, in the war with Spain, was mustered into such service May 24, 1898, and was mustered out November 23, 1898.

The regiment has received authority to place a silver ring on the lance of its *National Color* engraved as follows: Spanish-American War, 1898.

SEVENTH REGIMENT.

(Ten Companies.)

(First Brigade.)

Armory, Park Avenue and Sixty-seventh Street, New York City.

Companies A, B, C and D were organized during the excitement created by the firing of British at American vessels off Sandy Hook in April, 1806, as the first, second, third and fourth companies, and June 25th they were officially recognized by the State as part of the uniformed militia of the State, and attached to the battalion of artillery commanded by Major Andrew Sitcher. April 5, 1807, the battalion, in the organization of the 3d Regt. of New York Artillery, became its 2d Battalion. When war with England became imminent in 1807, these four companies, with other volunteers, were temporarily organized as a regiment, commanded by Colonel Peter Curtenius, and remained thus detached until April 20, 1809. In 1812 the 3d became the 11th Regt. of Artillery, the four companies remaining the 2d Battalion. Aug. 25, 1824, the battalion was named "Battalion of National Guards" (its distinctive name until, in 1862, the Legislature appropriated it for the uniformed militia), and in December, 1824, the fifth company was organized and Captain Stevens' company of the 11th New York Artillery transferred to it as the sixth company. In January, 1825, the battalion was transferred to the 2d New York Artillery, Oct. 1, 1825, the battalion was detached and organized as a separate and independent battalion, and during the month the seventh company was organized. May 4, 1826, the organization of the eighth company was completed, and May 6th the battalion was organized into a regiment, the 27th Artillery. April 17, 1838, a troop of cavalry was admitted to the regiment, which, in 1861, became the ninth company. In 1843 the State furnished the regiment with arms, it having heretofore provided them itself. July 27th the designation of the regiment was changed to 7th Regt. In April, 1849, an engineer corps was organized, which, in 1861, became the tenth company. The regiment was frequently ordered to hold itself ready for service, and did active service for the United States, the State and New York city, as follows: In United States service from Sept. 15 to Dec. 15, 1812; from Sept. 2 to Dec. 2, 1814; from April 19 to June 3, 1861; from May 26 to Dec. 5, 1862; from June 17 to July 21, 1863. In support of State or municipal authority: Execution of James Reynolds, Nov. 19, 1825; at the Election riots, April 10, 1834; Abolition riot, July 11 to 12, 1834; Great conflagration in New York city, Dec. 17, 1835; Stevedore riot, Feb. 24, 1836; Flour riots, Feb. 6 and March 6, 1837; Anti rent war, Dec. 9 to 10, 1839; Croton water riot, April 22 to 23, 1840; fire in New York city, July 19 to 21, 1845; Astor Place riot, May 10, 12 and 14, 1849; Police riot, June 16, 1857; Dead Rabbit riot, July 5, 1857; Quarantine war, Jan. 3, 1859; preserving order at camp of Spinola Brigade, Sept. 12 to 19, 1862; Draft riots, July, 1863; Orange riots, July, 1871; Labor riots, July, 1877; Motormen's strike, Brooklyn, January, 1895; and at strike, Croton Dam, April, 1900.

SIXTY-NINTH REGIMENT.

(Nine Companies.)

(First Brigade.)

Armory, Third Avenue and Seventh Street, New York City.

The 69th Regiment was organized October 12, 1851. In 1858 it was reorganized as an artillery regiment, doing duty as infantry. It was mustered in the United States service May 9, 1861, at Washington, D. C., to serve three months, and mustered out August 3, 1861, during which service it took part in actions at Blackburn's Ford and Bull Run. In August, 1861, about 800 men of this regiment joined the 69th N. Y. Vols., to serve three years. The regiment was again recruited and re-entered the service of the United States May 26, 1862, to serve three months; it was mustered out of service September 3, 1862. On the return from this service again the major part of the regiment entered the service of the United States for three years as the 69th National Guard Artillery, or 182d N. Y. Vols. The regiment having been reorganized, was mustered in the service of the United States for thirty days, from June 25 to July 25, 1863. July 6, 1864, it was again mustered in the United States service for three months, and mustered out October 6, 1864. The regiment has rendered the State service during the Quarantine riots in 1858; the Draft riots, 1863, and the Quarantine disturbances in 1892. It was reduced December 6, 1893, to a battalion of five companies, A, C, D, I and K. The battalion was on duty at Brooklyn during the Motormen's strike in January, 1895. New companies were organized for the battalion as follows: Co. B, June 5, 1894; Co. G, June 10, 1895; Co. E, June 11, 1895, and Co. F, September 7, 1900. The battalion was reconstituted a regiment September 4, 1895. April 28, 1898, the regiment received authority to organize as a twelve-company regiment, preparatory to its entry in the United States service, in which service it was mustered May 19, 1898, as the 69th Regiment, N. Y. Vol. Inf., and mustered out January 31, 1899. Companies L and M were disbanded April 12, 1899; Co. F, February 8, 1900, and Co. B, March 5, 1900. Co. F was reorganized and mustered in May 31, 1900.

The regiment has received authority to place a silver ring on the lance of its *National Color*, engraved as follows: Spanish-American war, 1898.

REMARKS.

1. All officers paid under this table below the rank of rear-admiral are entitled by law to 10 per centum upon the full yearly pay of their grades for each and every period of five years' service, as increase for length of service, or "longevity pay," computed upon their total actual service in Army, Navy and Marine Corps; provided that the total amount of such increase shall not exceed 40 per centum upon the full yearly pay of the grade; and provided further that the pay of a captain in the Navy shall not exceed \$4,500 per annum, and that of a commander in the Navy \$4,000 per annum.

2. Naval officers of the line, Medical and Pay Corps receive 15 per centum less than the full pay (salary and increase) of their rank when on shore, and full pay when on sea duty or when detailed for shore duty beyond seas. The reduction of pay on shore does not apply to chief boatswains, chief gunners, chief carpenters and chief sailmakers, who receive full pay on shore also.

3. Section 13 of the act approved March 3, 1899, entitled "An act to reorganize and increase the efficiency of the personnel of the Navy and Marine Corps of the United States," is hereby so amended as to provide that nothing therein contained shall operate to reduce the pay which, but for the passage of said act, would have been received by any commissioned officer at the time of its passage or thereafter. (Act June 7, 1900.)

4. Officers of the line, Medical and Pay Corps of the Navy retired prior to the passage of the act approved March 3, 1899, continue to receive the same pay on the retired list that they received before the passage of said act. Those retired subsequently receive 75 per centum of pay (salary and increase) of their rank.

(a) During a period of twelve years from the passage of this act any naval officer on the retired list may, in the discretion of the Secretary of the Navy, be ordered to such duty as he may be able to perform at sea or on shore, and while so employed shall receive the pay and allowances of an officer of the active list of the grade from which he was retired. (Act June 7, 1900.)

5. ALLOWANCES.—The monthly commutation allowance for quarters of the Admiral of the Navy is fixed by law at \$125. All other commissioned officers of the line and of the Medical and Pay Corps of the Navy, and all officers of the Marine Corps, receive the same allowances, except forage to naval officers, as are or may be provided by or in pursuance of law for the officers of corresponding rank in the Army. When quarters in kind are not supplied, commutation is allowed therefor at the rate of \$12 per month per room.

§ 162. **Pensions.**—Every member of the militia who shall be wounded or disabled while in the service of the State, in cases of riot, tumult, breach of the peace, resistance to process, invasion, insurrection, or imminent danger thereof, or whenever called upon in aid of the civil authorities, shall be taken care of and provided for at the expense of the State, and every such member who shall be wounded or disabled, or has been so disabled in the performance of any actual service of this State, within ten years preceding the application for a pension under this act, in case of riots, tumults, breach of the peace, resistance to process, invasion, insurrection or imminent danger thereof, or whenever called upon in aid of the civil authorities, or while engaged in any lawfully ordered parade, drill, encampment or inspection, shall upon proof of the fact, as hereinafter provided, be placed on the roll of invalid pensioners of the State, and shall receive, out of any moneys in the treasury of the State, not otherwise appropriated, upon the audit of the adjutant-general and approval of the governor, the like pension or reward that persons under similar circumstances receive from the United States, and in case of any wound, injury or disease causing death, then the widow or minor children of such member of the militia shall receive such pension and reward, from the time of receiving the injuries on account of which such pension or reward is allowed. No officer or enlisted man shall be entitled, while in active service, to make application for a pension.

§ 165. **Pay and care when injured or disabled in service.**—A member of the national guard or naval militia who shall, when on duty or assembled therefor, in case of riot, tumult, breach of the peace, insurrection or invasion, or whenever ordered by the governor, commanding officer of the national guard, or the commanding officer of the naval militia, or called in aid of the civil authorities, receive any injury, or incur or contract any disability or disease, by reason of such duty or assembly therefor, or who shall without fault or neglect on his part be wounded or disabled while performing any lawfully ordered duty, which shall temporarily incapacitate him from pursuing his usual business or occupation, shall during the period of such incapacity, receive the pay provided by this chapter and actual necessary expenses for care and medical attendance. All claims arising under this section shall be inquired into by a medical examiner or by a board of three officers, at least one being a medical officer, to be appointed by the adjutant-general, upon the application of the member claiming to be so incapacitated. Such medical examiner or board shall have the same power to take evidence, administer oaths, issue subpoenas and compel witnesses to attend and testify and produce books and papers, and punish their failure to do so, as is possessed by a general court martial. The findings of the medical examiner or board shall be subject to the approval of the adjutant-general, who may return the proceedings of the medical examiner or board for revision and for taking further testimony. The amount found due such member by said medical examiner or board to the

extent that the findings are approved by the adjutant-general, shall be a charge against and be paid in the manner provided by this chapter, by the county in which such duty was rendered, in every case where a county is by this chapter made liable to pay for the performance of military duty. In all other cases such sums shall be paid by this State in like manner as other military accounts are paid.

Prohibiting Discrimination Against Members of the National Guard.

PENAL CODE.

§ 171b. A person, who, either by himself or with another, wilfully deprives a member of the national guard of his employment, or prevents his being employed by himself or another, or obstructs or annoys said member of said national guard, or his employer, in respect of his trade, business, or employment, because said member of said national guard is such member, or dissuades any person from enlistment in the said national guard by threat of injury to him in case he shall so enlist in respect of his employment, trade, or business, is guilty of a misdemeanor.

§ 171c. No association or corporation, constituted or organized for the purpose of promoting the success of the trade, employment, or business of the members thereof, shall by any constitution, rule, by-law, resolution, vote, or regulation, discriminate against any member of the national guard of the State of New York because of such membership in respect of the eligibility of such member of the said national guard to membership in such association or corporation, or in respect of his right to retain said last mentioned membership; it being the purpose of this section and the section immediately preceding to protect a member of the said national guard from disadvantage in his means of livelihood and liberty therein but not to give him any preference or advantage on account of his membership of said national guard. A person who aids in enforcing any such provision against a member of the said national guard with the intent to discriminate against him because of such membership, is guilty of a misdemeanor.
