

STATE OF NEW YORK,

Director General's Department

New York Oct. 1. 1862

Dear General,

If you can, I w^d. like to have you give some employment to Halsey Curtis, bro. of Alf^d. L. Curtis. He is just graduated from Col. Coll^g - is liable to draft for the war - is the pet of his family, but is not over strong & healthy. If he were in yr. employ or in that of any other branch of the pub. service he w^d. be exempt from draft - He don't care for salary not much what duty he is required to perform, & only wants temporary employment, while the draft is in prospect or ~~being~~ being made.

Can't you find something for him & do?
Do if you can & oblige
