

Orwell June 25.
Friend Arthur

I do not wish
to be troublesome, but
as there is a call for
More Men I thought
there might be an opening
in the Quartermaster Dept.
or in some of the other
Dept. Don't forget me
when an opening offers.
Address me at Whitehall
Warheyston County N.Y.
as formerly.

Yours obt. Serv
R. P. Hobbs

Mr. Kitter Paul
are well. Hope I
may hear from
you soon
