

Friend Arthur

If possible give  
me some appointment or  
situation, "there is nothing on  
earth for me to do here; I  
should have enlisted as a  
private, before this if I had  
been able to have stood the  
fatigue - Almost anything  
would be acceptable.

If it would  
be better for me to come down,  
write me, and I will do so -
