

## ***New York Casualties as of July 1, 2013***

The following, in chronological order, is an unofficial, approximation listing of New Yorkers Killed In Action (KIA), and died in non-combat incidents, as recorded by the various US Armed Services, since the onset of hostilities for *Operation IRAQI FREEDOM* in Iraq & *Operation ENDURING FREEDOM* in Afghanistan. This listing is based on information compiled from official *US Department of Defense (DOD)* casualty reports, and unofficial news sources from various news organizations, including the *Associated Press (AP)* and *Cable News Network (CNN)*. In a small number of instances, KIA casualties did not list New York State as their official residence, however, they are included because they may have been born and raised in New York, or maintained familial ties in the state.
