

Mar 27 1864

as I have expressed my
money I thought I
would write a few more
lines I have ~~I~~ just
had my supper and
I have eaten so mu
ch that I can hardly
stir now I will tell
you what we have to
eat we have fresh
bread every day coffee
twice a day fresh
beef three times a
week and pork the
rest of the time
and potatoes once a
week and soup every
day noon so I think
that there is not
much danger of

of our starving yet
we have easy times
now and as for our
sleeping we sleep as
comfortable as we
would to home the
name of our port
is port keys

I have seen several
rubble prisoners since
we have ben here and
they are a bad lookin
g set I tell you I
would like to have
a chance at them
you must keep lookout for
that money write how
the times is up there
no more write soon
