My dear mother & brothers

I now sit down
to write you a few lines to let you know
that I am well & I hope these few lines
will find you the same dear mother you
must excuse me for not writing before for
I have been so busy that I could not write
before I should like to see all of you
first rate but I cant tell when I shall
come over for Mary has such a head ache
all of the time that I dont know what
to do she is a doctoring for it all the time
but it dose no good - well mother I am
takeing all the comefort that all any one can
I should like to have you all come & see
me as soon as you can tell all of them
to come & see me as soon as they can this
all this time so good by write soon give
my love to all & to harveys folks & tell

them to write good by all
from your brother John Hill
