

Saratoga Springs Dec. 10/69

Brother I have a few moments of time to spare so I will write you a few lines to let you know that we are all well at present and we hope that you are all the same. Mother is at our house and is very well. She does not know when she will come home. I suppose you know that she is ~~so~~ seventy years old the fifteenth of this month that is Wednesday next and we are going to give her a Birth day surprise party and we want you and Jenny to come we want all to gather once more. I have written to Daniel and Theodore folks we want to give her presents to the party is to be at ours in the evening.

and you must come with
out-fair and see what you are
a mint and says she would
like to have Denny make a
cake if she will but see
what you are mind
Come to my house first if
you come before night
Come anyway we shud not
like it if you dont
