

Saratoga Springs Oct 27<sup>th</sup> 67

My Dear Uncle

It is with great pleasure  
that I now employ my few  
leisure moments in your behalf  
that is in answering your kind  
and most welcome letter which  
I received Wednesday evening  
the 19<sup>th</sup> of Oct and I tell you I  
was glad to get a letter from some  
of the Brave Boys in the army for  
the last letter I received from the  
army was from you the 22<sup>nd</sup>  
of September that is more than  
a month ago so you must know  
I was anxious to hear from some  
of you

We are all well at present  
and hope these few lines may

Find you enjoying the same  
privilege — Mother and Frank  
were up to Grandmother's Hill  
about two weeks ago and she  
was not very well then

Aunt Ann was here yester-  
day she is quite well she is  
coming home in about four weeks  
to stay this winter

Well Dear Seth I do not  
know what to tell you about  
those papers Mother saw  
Col<sup>d</sup> Seasing a few days ago  
and he said he had not heard  
any thing from them yet but  
they were there and would  
be seen to but I suppose  
there are a great many in hand  
of us and they have to be  
tended to first of course  
but you must not get  
discouraged for it will all  
come out right at last I

think — I am sorry that  
you are not in the hospital  
now for all that are in the  
hospital are permitted to come  
to their own town on a furlough  
to visit and then you could  
get home if in no other way.

Will get it is nearly  
Election time again and where  
are you going to vote for Uncle  
Abe or little Mac — they are  
having great meetings all over  
the country now both Union  
and Democratic there is to be  
a Democratic meeting here  
this evening I understand  
but I guess it will not be  
much for it is very cloudy  
and unpleasant they had  
one in Ballston a week ago last  
Saturday and they come from  
all parts of the county and  
had a grand time generally.

Oh Seth you had ought to have  
been here to see the  
Elephant  
a week ago Friday there was  
a large caravan here they  
had all kinds of birds  
and animals from a white  
mouse to an elephant  
I do not think of any  
thing more at present  
so I will close by bidding  
you Good night and  
pleasant dreams

From Your Ever Loving  
Niece  
Nattie
