

Also Our Set

G H Hedges Right Fore Finger
Amputated He is a brave boy

as well as our Capt
He is in command of our regt

our Col is in command of
the brigad and our Set Col
wounded in the arm
we lost in kill and

wounded about 70 I caught
Nat Rite Home as long as

I am in the Serus for i have

written 5 or 6 letters since
i left the Hospital at Fred

rick City & i have recieved
None From Home i have

got one from ~~the~~ Gellen

I know it is hat far you
to write but i had rather

pay some body a good

to write ~~for you~~

For you i think you like to
hear from you and i am
as anxious to hear how you
get along as you are to
hear how i am well enough
enough of that but something
something els than i see
that Flower is down than
want it best For you too
lay in a good supply while
it is down i think it is
best thing you can do

Well Dear

Whether I took breakfast
with E. J. Hill he came
out without a scratch i
have not seen C. C. Hill
since the battle but i hear
he is all right We all
will say within a mile of
one another i saw him the
day before the fight he was
come better and he was

Short of money and i
let him have a dollar
I am also short but i
can get along very well
As long as i am well I
think we will get paid
Sometime in the course of
the winter it will come
Some time or rather and
the longer we have to wait
the more we will get when
it does come if you can
send word to J King
Falks tell them I King
is all rite Charley
Masher was wounded
in the arm so i hear from
the one of the yg regt boys
Well I heine got a ring that
i took off Charles Thorntons
finger after he was shot
and i am afraid that i will
lose it so i will put it in

This letter and you can
Send word to his wife
and have her come and
get it for it is all that
I could find about
his Person to send and
She would like to get
it I am shure so
you be shure and see
that she gets it
Well Dear Mother
So Rite and let
me know how you
get along & how things
is prospering I will
close by bidding you
good by

Eth Hill

To his Mother
Rite soon
