Dear Father –

This letter will be handed you by Capt. Hopping 75th N.Y. captured the same day as myself & with whom I have since been in constant communications. Any thing you can do for him while in the city will only repay many acts of kindness done by him since my fellow prisoner.

I am in good health & hope before long to be with you. The box has not yet come to hand. Love to all.

I remain
Your Affectionate Son
Frank
