

Office Provost Marshal  
Augusta Ga. June 1<sup>st</sup> 1865

Dear Father, –

Allow me to introduce to you Mr. Thos. White of this place. Since I have been in this town Mr. White has shown me very civility & attention & any thing in your power that you do for him will but repay the many obligations under which I rest. His father was formerly in business here & has bought several bills from the firm. I have been treated by his family more as a connection than a stranger & I hope you will see he has every attention while in New York.

I remain  
Your Affectionate Son  
W. Frank Tiemann

J.W. Tiemann Esq.  
Burling Slip Cor. Pearl St.  
New York

Mr. White was formerly from Buffalo & is acquainted with numbers of our business connections of that place.
