

For the Reporter.

PREAMBLE AND RESOLUTIONS,  
Adopted at a meeting of the Union League  
of Alfred, Allegany County, N. Y.,  
Aug. 8, 1863.

PREAMBLE.

Whereas, There seems to be a secret combination of the sympathizers with the Slaveholders' Treason, to resist the conscription act, and to thwart the Government in its action to execute that law; and

Whereas, The case of Geo. W. Chadwick of this town, in representing himself as the only son of an aged and infirm parent, dependent on his daily labor for support, *within the meaning of the statute*, is a most flagrant case of the action of such combination to avoid the execution of the law and nullify its effects, to defraud the Government, and to do injustice to loyal citizens liable to the draft; therefore

Resolved, That it is the duty of the Board of Enrollment, and of all loyal citizens, to use all honorable means in their power, to bring the guilty parties to justice.

Resolved, That the action of the Board

in summoning those whom they ascertain to have been exempted from the draft by fraudulent representations, to appear before them for a rehearing, gives fair promise of dealing out justice.

Resolved, That the practice of lobbying for pay, to secure the exemption of such as have no just and valid excuse, is an imposition on the Board, renders the law unpopular with the masses, savors strongly of disloyalty to the Government, and, when successfully practiced to any considerable extent, leads to suspicion of complicity on the part of the Board, and should, therefore, be at once discontinued by all.

Resolved, That the practice of giving private examinations by the Surgeon of the Board, *for a valuable consideration*, is creating much dissatisfaction, subjecting the Board to censure, and should be immediately discontinued.

Resolved, That we sympathize with the Board in the difficult and arduous duties devolving upon them, and that we will, as every loyal citizen should, use our best efforts to sustain them in the upright and faithful discharge of those duties.

Resolved, That a copy of the foregoing Resolutions be furnished to each of the following papers, viz: Angelica Reporter, Genesee Valley Free Press, and Elmira Advertiser, and their publication solicited.

IRA SAYLES,  
Cor. Sec'y pro tem.

PERSONAL—Captain Andrew J. McNett, formerly of this city, who has served two years in the war, has been authorized by Gov. Seymour to raise a regiment in Alleghany county. The appointment is an excellent one.

**\*\* RESIGNED.**—Col. J. W. Dininny arrived at his home in this village on Sunday last, having been compelled to resign his command on account of the failing of his eyesight.—*Addison Adv.*

This completes the draft for this county, except for the town of Rushford, which has, for some reason, been postponed for a few days

**OLD ABE'S MILITIA.**—The drafted men from the town of Independence, Allegheny Co. reported at head-quarters yesterday. The result of the examination is worthy of mention. There were twenty-eight men drafted. Of these, one is in jail, and did not show himself. The lucky fellow will escape. Of the remaining twenty-seven, no less than thirteen were exempted on account of physical disability, one for having parents dependent upon him for support, one furnished a substitute, ten concluded to pay the \$300 required for commutation, and two thought perhaps they would go, but are holding the matter open for further consideration. They do not propose to act rashly in the premises.

These figures are suggestive. Nearly every other man is exempted for physical disability, and those who are not, almost universally commute. Precisely one-fourteenth report for service, unless the two men should conclude not to go into camp.

How long will it take to procure an army at this rate? By the way, who has the contract for supplying drafted men with "fodder?" It is evident that provision should be made on a magnificent scale. Let ample supplies be laid in.

Great chances for substitutes. Who will take the \$300, advance pay, Government bounty, &c.—Now is your time.

**IS A WHITE SUBSTITUTE FOR A BLACK CONSCRIPT.**—BENJAMIN JOHNSTON, a colored man was drafted from the town of Scio, Allegheny county. Mr. Johnston reported at the Provost-Marshall's office in this village, on Friday last, and offered an able-bodied white man as a substitute. He was examined and accepted, has been sworn into service, and is now in the barracks as the substitute for Mr. JOHNSTON.

It seems to us that if a black man may hire a white man for a substitute, a white man ought to be allowed to hire a black man for a substitute. It is a poor rule that won't work both ways. The present arrangement gives the "nigger" an advantage over the whites, since he may hire from any color or race. We present this case for the consideration and indignation of our copperhead friends. It is another evidence of the "rank inequalities" of the Conscript Law, and perfectly conclusive on the point, which has heretofore been doubted by some, that this is a "war for the nigger."  
—*Elmira Advertiser.*

**IS A colored man from Allegheny Co.,** who was drafted has hired a white substitute who was accepted by the Enrolling Board at Elmira, The Advertiser thus facetiously comments on this incident:

"It seems to us that if a black man may hire a white man for a substitute, a white man ought to be allowed to hire a black man for a substitute. It is a poor rule that won't work both ways. The present arrangement gives the "nigger" an advantage over the whites, since, he may hire from any color or race. We present this case for the consideration and indignation of our copperhead friends. It is another evidence of the "rank inequalities" of the Conscript Law, and perfectly conclusive on the point, which has heretofore been doubted by some, that this is a "war for the nigger."

**IS In obedience to the call, Allegheny Co.** reported at the Provost Marshal's office yesterday, a large number of her drafted sons.

**IS Twenty-nine drafted men passed their** surgical examination yesterday, from the town of Independence, Allegheny co. To-morrow three or four towns will be disposed of, now that the work has been fairly inaugurated. The names of the exempted yesterday, will be found in another place.

**IS Wm. T. Post, Esq.,** having resigned the office of Commissioner of the Board of Enrollment, Capt. James H. Miles, of Addison has been appointed to fill his place. Capt. Miles went out with the 107th Regiment, but was compelled to resign on account of ill health.—*Elmira Advertiser.*
